

## DEPARTMENT OF ORTHOPAEDICS

### **DR E NAZARETH**

1. Comparative study on crossed and lateral pinning for displaced supra condylar fractures in children. Paper presented at the OASIS conferences held at Tirupathi, August 2006
2. Editor Journal of Orthopaedic Association of South Indian States
3. “Correlation of clinical features and MRI, findings in intervertebral disc prolapse” - Journal of Orthopaedic Association of South Indian States – August 2006 Vol.3 66-68
4. “Actinomycetoma of the foot’ - Journal of Orthopaedic Association of South Indian States – 81-82, vol. 3, August 2006
5. Editorial – “Ethics in Orthopaedics” - Journal of Orthopaedic Association of South Indian States – 1-6, Vol. 3 August 2006
6. Comparative study of the operative and conservative management of displaced intra articular fractures of calcaneum : vol. I, no. 1 – Journal of Karnataka Orthopaedic Association, January 2003
7. Antegrade and retrograde nailing of fracture of shaft of humerus – Journal of Orthopaedic Association of South Indian States, August 2004 Vol. 1, 40-46
8. Hugh Owen Thomas – Editorial Journal of Orthopaedic Association of South Indian States, 1-3, vol. 1, August, 2003
9. Medical management of osteoporosis – the role and limitations of orthopaedic surgeons - Journal of Orthopaedic Association of South Indian States – 74-78. Vol. 4, August 2007
10. Inter trochanteric fracture s – proximal femoral nailing versus dynamic hip screw Journal of Orthopaedics Association of South Indian States 74-78, vol. 4, August 2007
11. Lateral and crossed percutaneous pinning of supracondylar fractures of humerus in children - Journal of Orthopaedic Association of South Indian States – 82-86, Vo. 4, August 2007
12. Pseudomeningocele following laminectomy – a case report Journal of Orthopaedic Association of South Indian States – 94-96, Vo. 4, August 2007
13. Co-authored a case report “Primary Pyomyositis of Paraspinal Muscles – a Rare Location” in Journal of Clinical and Diagnostic Research June 2008 3: 867-870.

### **DR J CHACKO**

- a. Shanon FJ, Langhi S, Mohan P, **Chacko J**, D’Souza L. - Percutaneous lateral cross wiring for supracondylar fractures of the humerus in children in 2003 British Editorial society of bone and joint surgery Vol 85B Supplement II 2003 p 138
- b. J. Shannon, Prashant Mohan, Jacob Chacko and Lester D’Souza

Dorgan's percutaneous lateral cross wiring of supracondylar fractures of the humerus in children - Journal of Pediatric orthopaedics – August 2004 p. 376-379

- c. Jacob Chacko, P R Krishnaprasad Functional outcome of conservative versus surgical management of comminuted distal radial fractures journal of IOACON 2006

## ***Dr R Adiga***

1. Incomplete brachial plexus injury caused by massive callus formation, a rare complication following clavicular fracture  
Orthopaedic Update (India). Vol 5., No. 1, Dec. 1995
2. Achilles Tendon Rupture due to water closet injury  
Journal of Karnataka Orthopaedic Association, Vol. I, No. 1, January 2003
3. Study of Intra-compartmental pressure in patients with closed fractures of tibia Journal of Journal of Orthopaedic Association of South Indian States – August 2004, Vol. 1, No. 1.
4. Study of correlation of clinical features and MRI findings in intervertebral disc prolapse - Journal of Orthopaedic Association of South Indian States – August 2006, Vol, 3.
5. Solitary osteocartilagenous exostosis – a rare case of scapular growth and report of two cases, Journal of Orthopaedic Association of South Indian States – August 2006, Vol. 3
6. Intertrochanteric fractures – proximal femoral nailing Vs Dynamic hip screw, (PFN Vs DHS) Journal of Orthopaedic Association of South Indian States – September 2007, Vol. 4
7. Avulsion fracture of the first Metatarsal at peroneus longus insertion – A Case report - Journal of Orthopaedic Association of South Indian States – September 2007, Vol. 4
8. Pseudomeningocele following laminectomy – a case report - Journal of Orthopaedic Association of South Indian States – August 2007, Vol. 4
